

Satellite Dish Installation Requirements

Approval:

- Installation that requires dishes, antennas, cables or wiring to be visible from ground level must be approved by the Board.

Submit an ACC (can be found LakeParkVillageAZ.com under Documents) to our Property Manager Lisa Hoyer, TCPM.

- For all other installations, the Board must be notified that a dish or antenna has been installed and its location.

Installation:

- There should be only 1 cable entry to the condo.
- Any cable **MUST** be painted to match the building.
- Shall not exceed 39 inches in diameter or diagonal measurement.
- May be installed on the garage (if not visible from ground) or main building roof (preferred).
- Satellite dishes, antennas and their associated cable or wiring shall not be visible from ground level.
- Homeowners will be held financially responsible for any necessary repairs to the roof as a result of any installation.
